

# Caleb White

I possess exceptional customer service experience, I am a diligent worker and multitasker, and I encourage a positive team oriented environment.

## WHY I AM INTERESTED

I am driven to provide value to my team with my strong work ethic, dependability, and dedication to accuracy. I am driven to start my career in the tech industry. Customer service and organization are my strong suit. I possess an optimistic and problem solving attitude.

## EXPERIENCE

### Target Warehouse — Warehouse Worker

SEP. 2022 - PRESENT

Ability to safely, quickly, and efficiently handle and process merchandise. Collecting, memorizing, and organizing number sequences to effectively process and input merchandise into the data system. Competent in using jump codes for proper problem solving.

### Luma California Farms — Cultivation Technician

JUL.. 2021 - AUG. 2022

Experience in a sustainable, living soil farm performing all daily maintenance tasks. I hold a deep understanding and excel at many farm tasks including:

- Composting, mycology and cover crops
- Inventory and data entry
- Soil nutrient balancing
- Crew management

## EDUCATION & CERTIFICATION

### OSHA 30 & CalOSHA

MAR. 2022

Learned how to manage a crew and observe work areas for abiding by OSHA work safety guidelines.

### Rochester Community and Technical College, Rochester, MN — Horticulture A.A.S.

AUG. 2018 - MAY 2020

Learned greenhouse practices, golf course management, arborist practices, landscaping, and techniques to implement IPM.

## SKILLS

Analytical problem solving.

Well organized.

Closely follow instructions.

Exceptional customer service.

Grasp new concepts quickly with attention to detail.

Strive for speed and efficiency without loss of quality.

## ACTIVITIES

**WWOOF Experience:** work trade in Hawaii farming an orchard and building greenhouse & beds.

**Volunteering at the college garden:** fall and spring clean up and pond maintenance.

**Internship at RCTC Garden:** mow lawn & golf green, weeding, pond cleaning, and greenhouse management.

## INTERESTS

Plants, family, camping, learning, travel, hiking, health, mental growth, and personal development.
